25 October 2024

I am writing to thank you for hosting me at the Livery Climate Action Group Conference on Tuesday, 22 October. Although I was unable to attend the entire event, I found the conversation both fruitful and informative, and I was delighted to have the opportunity to deliver the opening address.

It was particularly heartening to see the involvement of schools and to witness the enthusiasm and engagement shown by the students. Their passion for addressing climate challenges offers great hope for the future, and it was inspiring to see the next generation so actively involved in the important discussions around sustainability.

The theme for 2024, 'Planning for a Resilient Future,' is timely and critical. I have no doubt that the Livery Climate Action Group will continue to drive meaningful progress in this area.

Thank you once again for your hospitality and ongoing dedication to this essential work.

With my very best wishes,

**The Rt Hon The Lord Mayor of London
Alderman Professor Michael Mainelli**
